A BOOK ON FELT APPLIQUÉ

Gaily coloured felt is a material with infinite decorative possibilities. A good little book on the subject has just been published — “Coloured Felt Appliqué and Inlay” (Dryad 2/-). A host of intelligent suggestions will be found here ranging from the decoration of simple articles, such as kettle-holders and pin-cushions, to really professional achievements in slippers and handbags. Paper patterns are included.

rows. There are now 50 stitches on the needle.

Continue thus:—1st row: rib 20, d.m. 10, rib 23. Keep this pattern arrangement for 9 more rows with the necessary increasing (work the added stitches into pattern). 2nd row: rib 12, d.m. 10, rib 10, d.m. 10, rib 12. Keep this arrangement for 9 more rows, with increasing. 21st row: rib 3, d.m. 10, rib 10) twice, d.m. 10, rib 3. Keep this pattern arrangement for 9 more rows, with increasing. Carry on thus, taking new stitches into pattern as they are made, until there are 80 stitches on the needle. Work straight until sleeve seam measures 18 inches.

Here shape top. Keeping in pattern, cast off 10 stitches at beginning of next 2 rows, then k. 2 tog at beginning of every row until 22 remain. Cast off.

COLLAR

With No. 9 needles, cast on 150 stitches and work 4½ inches in k. 2, p. 2 rib. Cast off in rib.

TO MAKE UP

Press work lightly under a damp cloth. Sew together side, shoulder and sleeve seams; insert sleeves. Fold collar lengthways so that one piece is 2, and the other 2½ inches deep. Press along this fold and stitch to neck edge, so that the 2-inch piece acts as the top collar. Sew on buttons to correspond with buttonholes.
